## Property Description

An opportunity to acquire this substantially extended detached family home located in popular residential location.

## Main Particulars

Derbyshire Properties are delighted to present for sale this substantially extended detached family home positioned in a popular residential location. The current vendors have extended, remodelled and renovated over a number of years, now offering spacious open plan living spaces for all the family. The property is also positioned on an extremely large plot with superb landscaped rear garden that offers a high degree of privacy from neighbouring properties. The layout for the property briefly comprises of : entrance porch, living room, dining area, garden room, open plan living kitchen, sitting room, inner hallway and guest cloakroom. To the first floor a landing provides access to 4 well proportioned bedrooms and three bathrooms.

We believe the property will ideally suit families and extended families and an immediate internal inspection should be undertaken to avoid disappointment of this deceptively large property.

### Entrance Porch

Entered via a composite door with two adjoining obscured windows from the front elevation, wood floor covering, spotlights to ceiling, coat storage and internal door providing access to:-

### Living Room

With large double glazed window to front elevation, solid wood floor covering, decorative dado rail and coving, decorative wall lighting, TV point and stair staircase to 1st floor landing. The focal point of the room is an open fire with decorative stone surround and tiled hearth.

#### Outside

To the front elevation is a block paved driveway that provides parking for 2 to 3 vehicles. The extensive rear garden starts with a enclosed paved patio with stocked flower beds and borders. Steps then lead to a further larger paved patio terrace that houses a detached brick built outbuilding with light and power.(This room has a variety of uses and could potentially be at home office, Home gymnasium, studio or simply storage room).

The garden then extends in the form of a well cared for lawn with more stocked flowerbeds and borders and additional patio area which is partly enclosed. Timber fenced boundaries provide boundaries to all neighbouring properties.

The garden also has outside lighting, tap and power supply.
