External

Outside

The property is accessed via a curved wall into a substantial tarmac driveway that provides parking for numerous vehicles and leads to a integral double garage with electric up and over composite door, light and power & rear access door. Wall mounted EV charging point, security, lighting and solar panels. The front garden offers an area of lawn with mature inset trees and shrubbery, providing privacy from the road and neighbouring properties.

Gated access, then leads to the rear garden.

The superb rear garden has been professionally landscaped over a number of years and offers a large, entertaining patio terrace, with steps down leading to a further

Extensive paved Patio. The garden is mainly laid to lawn with stocked flowerbeds and borders with an array of mature hedge row and trees providing a natural boundary to neighbouring properties and providing high levels of privacy. Directly behind the house and garden. He is an open field, providing a pleasant outlook.

Double Integral Garage

Double garage with electric up and over composite door, light and power & rear access door. The newly installed (2021) gas combination boiler is wall mounted.

Additional Information

Solar Panels where installed April 2022
