Property Description

An opportunity to acquire this beautifully presented modern mid-townhouse offering spacious accommodation arranged over three floors.

Main Particulars

Derbyshire Properties are delighted to present for sale this immaculately presented and deceptively spacious four-bedroom modern townhouse, pleasantly positioned within a quiet residential setting. The property has undergone a comprehensive programme of renovation since its original construction, including a refitted kitchen, contemporary bathrooms, new internal doors, flooring and tasteful décor throughout. The accommodation briefly comprises: ground floor entrance hallway, guest cloakroom/WC, snug/home office and a superb open-plan kitchen/dining room. To the first floor, a landing provides access to the principal living room and the main bedroom with en-suite shower room. The second floor offers a further landing, three additional bedrooms and a modern family bathroom. Externally, the property enjoys a low-maintenance frontage with a useful storage cupboard, a professionally landscaped rear garden and the added benefit of a detached garden studio. To the side elevation there is a one car driveway and an attached garage. We believe the property will ideally suit professionals, families and potentially first-time buyers, and an internal inspection is strongly recommended.
