Property Description

PLOT 54 - The Green at Holborn Place is a beautiful development offering a selection of two, three, and four-bedroom new homes in the charming village of Codnor in Derbyshire and is the next phase following our successful and sought-after Holborn Place development. The development features 58 plots with 11 distinct house types providing a diverse range of homes. This Derbyshire development offers a charming blend of rural tranquillity and convenient access to local amenities, making it a desirable location for those seeking a quintessential village lifestyle. Excellent road links and public transport services mean that the city centre of Derby is within 25* minutes, while Nottingham can be reached in just over half an hour*. Amidst rising energy costs, our cutting-edge new home energy-efficient solutions, like air source pumps* with Smart Hive controls, underfloor heating*, PV panels and EV Chargers offer significant savings to purchasers *Plot specific

Plots marked with (H) are 'handed'. This means the house faced in a mirror image of the plan shown above. Our floorplans depict a typical layout for each house type and are subject to change. For exact site specifications, details of material and fitting finishes, dimensions, window locations and window orientations please consult your Sales Consultant. All dimensions are x, y - 10mm and are not drawn to scale.

Floorplans of plots will be revised upon us specifying floorings, items of furniture or appliances. The kitchen layout and furniture positions are for indicative purposes only. All our property particulars and related information are for guidance only and are not intended to form part of any contract or warranty. Please speak to your Sales Executive who can clarify any specific details and who can refer to your viewing drawings.

This floorplan is for illustrative purposes only and the location of doors, windows and other items are approximate.

Agents notes: All measurements are approximate and for general guidance only and whilst every attempt has been made to ensure accuracy, they must not be relied on. The fixtures, fittings and appliances referred to have not been tested and therefore no guarantee can be given that they are in working order.
